OBJECTIVE

Aspiring Data Analyst with strong skills in SQL, Python, Power BI, and Excel, eager to leverage data visualization, statistical analysis, and problem-solving to drive business insights. Seeking opportunities to contribute to data-driven decision-making in a dynamic organization.

EDUCATION

B.Tech, CSE (Data Science)	2021-2025
Galgotias University, Greater Noida	

Higher Secondary Examination	2019-2021
Bradford International School, Patna	

SKILLS

Data Analysis	Excel, Power BI, Tableau, Matplotlib, Seaborn
Programming	Python (Pandas, NumPy, Scikit-learn), SQL, Swift
Database Management	MySQL, PostgreSQL
Automation & ETL	Power Query, Python Automation
Statistical Analysis	Hypothesis Testing, A/B Testing, Data Cleaning
Soft Skills	Problem-Solving, Critical Thinking, Communication, Attention to Detail

EXPERIENCE

Process Associate	Aug 2025 - Dec 2025
Capgemini, Noida	

- Worked on U.S. Health Medicare operations, handling data processing and compliance-based case workflows with high accuracy.

Data Analytics Intern	May 2025 – Aug 2025
Geeks For Geeks, Noida	

- Training in Data Analysis, SQL, Python, and visualization tools with hands-on projects.

iOS App Developer Intern	Jun 2024 – Jul 2024
Infosys, Mysore	

- Worked on iOS app development projects, gaining practical exposure to Swift and app deployment.

PROJECTS

Airline Price Analysis

- Developed a Python pipeline to clean and transform flight pricing data (resolving missing values, date formats, and inconsistencies), resulting in a 30% improvement in dataset reliability.
- Performed SQL queries to extract KPIs and built an interactive Power BI dashboard, uncovering pricing trends, route profitability, and airline performance to support data-driven decision-making.

E-Commerce Product Analysis

- Cleaned and analyzed raw product data from Myntra using Excel and pivot tables, generating dashboards that revealed category- and brand-level sales insights.

- Utilized SQL to extract key business metrics and conduct advanced analysis, identifying high-performing products and supporting revenue growth opportunities.
